November 2026

Grace Preschool News

2 Year-Old Preschool Class

We would like to thank all the parents who made our fall party fun. The classroom runs much smoother with parental support.

November will be a great month! We will talk about Thanksgiving and Fall, the color brown, and the square shape. Our letters will be C, K, and E. Our number will be 4. It's going to be a very busy month and we will be ready for our Thanksgiving Break. The children have adjusted to school very well and we would like to thank you for sharing them with us.

Ms. Robin and Ms. Vicki

3 Year-Old Preschool Class (Lindsay)

The month of October has quickly passed, and we are excited to begin November. Thank you to the families who have come to recent events! During November we are going to be preparing for the Thanksgiving Feast at the end of the month, and we will be learning about giving thanks and the first Thanksgiving. We will be taking a closer look at daily blessings from God and "God Bless America." We will also cover the color brown, the square shape, the number 4, and the letters C, T, and N. Have a blessed month and we hope to see you at the Feast!

3 Year-Old Preschool Class (Miranda)

We're excited to begin November and would like to give a big thanks to all our parents and family members who participated in our party and in our fundraiser last month. This month we will focus on "God bless America" and Thanksgiving. We will work to recognize all the blessings God gives us to be thankful for. We will continue to build on the skills we worked on last month in our math & reading readiness as well as writing & scissor use. Our Bible story for November is "God's Garden." Our Bible verse is "Give thanks to the Lord…" 1 Chronicles 16:8. Our learning focus will be the color yellow, number 3, letters G, H, and I, and the square shape. At the end of the month we'll have our Thanksgiving Feast. Everyone is invited! Thank you for being part of our Preschool Family!
