2-Year-Old Preschool Class

We had a lot of fun in February. We enjoyed our Valentine's celebration.

This month will really be exciting. We will celebrate Dr. Seuss's birthday and have a fun-filled week. We will be learning letters B, Q, J, and U. We will study the diamond shape, the color green, and the number 8. As we introduce the new shapes and colors, we will

review all the ones we have already studied.

Our Bible story will be all about Daniel. We hope you will encourage them to tell you the stories.

There will also be lots of St. Patrick's Day activities this month!

Ms. Robin and Ms. Vicki

3 Year-Old Preschool Class Ms. Robbie

It is hard to believe the month of March has arrived. We enjoyed all the special activities that we celebrated in February. Our students studied the importance of God's love for each of us. We had a great time at our Valentine's Party!

During the month of March, our

preschool students will begin a unit on St. Patrick's Day, Dr. Seuss, weather and focus on some of Jesus' miracles. The children will also continue reviewing numbers 1-7, colors, and shapes. The following areas will be studied this month: color—green; shape - diamond; the number - 8; and letters D, U, S, & X.

Have a wonderful month!
