2-Year-Old Preschool Class

It's hard to believe May is here, which means the end of school is near. The year has been short, but hopefully fun for all. We have seen a lot of changes in your children.

This month we will review our numbers 1- 10; letters X, Y, and Z; and review all our colors and shapes. The Bible story will be the early church and

Paul. We will also talk about bugs and summertime.

The closing program will be May 16 at 6:30 p.m., and our end-of-the-year parties will be May 18 (M/W) and May 19 (T/TH).

Thank you again for sharing your precious children with us this year, and God bless each of you.

Ms. Andrea and Ms. Edith

3-Year-Old Preschool Class

May is here! It's hard to believe the last month of preschool classes has arrived and our journey through this school year is about to end. We have had an incredible year of fun and faith-learning experiences. Your children have been a wonderful blessing through their loving personalities.

This month we will continue to focus

on our numbers, colors, and shapes. Our little ones will continue with spring activities and focus on the Bible story of their teacher's choice.

Our closing program will be May 16 at 6:30 p.m. Our three-year-olds will be receiving Certificates of Promotion and receiving a special gift from our Christian School Board.

May God bless all of your children in the next school year.

Ms. Nikki and Ms. Jennifer

3/4-Year-Old Combo Preschool Class

We have come to the last month of preschool. The last few months have flown by, and our time together has been short. We know the children have learned a lot and have made some friends that will last.

This month we will review all shapes and numbers. We will also finish up the alphabet with letters Y and Z. Our Bible lesson will be Zacchaeus.

Our closing program will be May 17

at 6:30 p.m. at Grace. Children will receive Certificates of Promotion and a special gift from our Christian School Board.

May God bless all of your children in the next school year.

Ms. Madison and Ms. Cheryl

4-Year-Old Preschool Class

It's hard to believe the end of school is almost here. This is a very happy time because the children are growing and are ready for "BIG" school. It is also a very sad time for the teachers. We have grown to love every child and will miss them tremendously.

Our units for May are:

May 2 - 5 Fairly Tales and Nursery Rhymes

May 9-12 Families
May 16-19 Summer.

We will review all colors and numbers, and learn the letter T, and the shape hexagon.

Our Bible verse this month is "Flowers appear on the earth; the season of singing has come..."(Song of Songs 2:12)

We would like to take this opportunity to again tell you how

much we have enjoyed your children this year. Also you, their parents, have helped to make this a wonderful year. God's blessings to you in the years to come.

Ms. Abby and Ms. Cheryl
