Ms. Robin's and Ms. Jessica's Classes

We had a wonderful month learning all the things we are thankful for and celebrating Thanksgiving. We also learned about farm animals.

This month will be very special as we learn of Jesus' birth. Our shape will be the star, the color blue, letters H and R, and

the number 5. We will talk all about winter.

Thank you for sharing your child with us.

During the month of December, our 3-year-olds will be extremely busy. We will begin our month by focusing on the season of Advent.

The weeks in December will be filled with getting ready for Baby Jesus. We will look at

the many different ways that we can give to others during this special time of year.

Our colors of the month will be red, number 5, and shape star. Our Bible story will be the Christmas story, and we welcome any book about the birth of Jesus that is special to your child.

Ms. Abby's and Ms. Cheryl's Class

It's hard to believe December is here. December is the busiest time of the year for many of us. Also it is a most special time - the time we remember God's greatest gift to us - the birth of Jesus.

This month we will be preparing for Jesus' birthday. Our units this

month will be Christmas Around the World and At Home. We will study the shape star, the color red and the number 5.

Our Bible verse for the month is "Glory to God in the highest..." Luke 2:14. We will talk about how the Wise Men teach us to give. Merry Christmas!

Faith At Home: Countdown to Christmas

By Jolene Roehlkepartain

Get to know the Bible passages that talk about the promise of Jesus' birth and the events leading to Jesus' birth.

1. Say this prayer aloud to begin. *God, prepare us for the season of Advent and Christmas. Amen.*
2. Ask someone to read aloud Isaiah 9:2. Then ask another family member to read aloud Isaiah 9:6-7.

3. As a family, talk about these questions:
 - How do we get ready for Christmas?
 - What do you enjoy most about getting ready for Christmas?
 - What do you wish didn't take as long to get ready for Christmas?
 - How can we enjoy the entire month of December instead of focusing only on Christmas Day?
4. Starting on December 1 (or any day after), begin reading a scripture a day until Christmas. Let different family members take turns reading the passage each day. Talk about what happened in the scripture and why it's important for the Christmas season.
