2 Year-Old Preschool Class

March winds have blown the month away very quickly, preparing us for April Showers. This past month all of us have had a lot of fun.

During April, we will celebrate the glory of the Easter season. We will share with each of our children the meaning of Easter.

We will concentrate on the color purple; letters Z, W, V, and Y; and the shape oval. We hope you have a relaxing, meaningful, and Spirit-filled spring break.

The month of March has passed very quickly. For the month of April, our students will be celebrating the joys of the Easter season and spring to include nature and insects. We will continue our focus on numbers, shapes, and colors.

During this new month, our little ones will have activities dealing with the

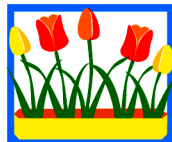

shape oval, the number 9, and the color purple. Our letters will be F, B, and I.

We hope everyone has a relaxing break.

The month of March has flown by, and we are preparing for April showers. We will celebrate the wonderful Easter season and Spring time. We will learn about New Life and Spring and Plants and Animals.

Our letter focus will be the letters V, W, and X. Our numbers for the month

are 9 & 10. We will study the color pink and the oval shape.

Our Bible verse is "I will send you rain in its season ..." Lev. 26:4. Our Bible stories for April are the Easter story and Jesus appears to his followers.

4-Year-Old Preschool Class

Spring is here and most of us have "spring fever." We are looking forward to continuing our discussions about spring, new life and Easter.

Our units for April are:

7-10 - Taking Care of God's Earth

14-17 - Easter Break

21-24 - Insects

28- 1 - Family

Along with our unit, our color is purple, shape oval, numbers 9 and 10, and letters E & I.

Our Bible Verse this month is "I will send you rain in its season..." (Leviticus 26:4). Our Bible lesson is the Easter story, and Jesus appears to His followers.

Faith At Home: Easter D-egg-orations

By Beth Beall

Explore some of the meanings for Easter egg colors and decorations. Then decorate a paper egg.

Needed: A printer so that you can print out the paper egg template, markers or crayons or colored pencils. Just google *free printable pysanky coloring pages.*

Activity Plan

1. God is with us in everything we do, and prayer helps us to remember that. Begin this activity by praying this prayer: "Thank you, God, for celebrations! Thank you for the mystery of Easter, and for things like eggs and spring flowers and special Easter foods that help us celebrate that mystery. Amen."

2. Eggs have been a symbol of new life in many cultures for thousands of years. There's something quite amazing about seeing a baby chick break out of its shell! Early Christians saw the shell as being a bit like the tomb from which the resurrected Jesus came forth. Some people create beautiful designs on eggshells using a wax art form that is similar to batik. Finished designs are called "pysanky." The symbols and colors found on pysanky eggs have different meanings.
