Paxton Joiner	May 27
Elliot Cayton	May 30

2 Year-Old Preschool Class

It's hard to believe May is here, which means the end of school is near. The year has been short, but hopefully fun for all. We have seen a lot of changes in your children.

This month we will learn about number 10; letter X; and color yellow and review all our shapes. The Bible story will be Jesus Feeds 5000. We will also talk about Mother's Day and summertime.

The closing program will be May 11 at 6:30 p.m., and our end-of-the-year parties will be May 13 (M/W) and May 14 (T/TH).

Thank you again for sharing your precious children with us this year, and God bless each of you.

Ms. Robin and Ms. Vicki

3 Year-Old Preschool Class -Ms. Robbie

May is here! It's hard to believe the last month of preschool classes has arrived and our journey through this school year is about to end.

We have had an incredible year of fun and faith-learning experiences. Your children have been a wonderful blessing through their loving personalities. Thank you for allowing us to love on them this school year!

This month we will continue to focus

on our numbers, colors, and shapes. Our little ones will continue with spring activities and focus on the Bible story of their teacher's choice.

Our closing program will be May 11 at 6:30 p.m. Our three-year-olds will be receiving Certificates of Promotion and receiving a special gift from our Christian School Board.

May God bless all of your children in the next school year.

Ms. Robbie and Ms. Marie

3 Year-Old Preschool Class -Ms. Miranda

They say time flies when you're having fun and this school year has definitely proven that theory! Our children have grown and learned so much these past few months. We are proud of all of them! It is a little sad to see them move on, but we know they have a strong foundation for life-long learning.

We will review all numbers and study letters Y and Z this month. We will learn the octagon shape, the color black, and the season of summer. Our Bible verse is "Flowers appear on the earth; the season of singing has come..." (Song of Songs 2:12) Our Bible lesson will be Paul and new life through Jesus. We will also study plant life-cycles.

Our closing program will be May 11 at 6:30 p.m. at Grace. Children will receive a special gift from our Christian School Board. May God bless all of your children in the next school year.

Ms. Miranda & Ms. Lindsay

4-Year-Old Preschool Class

It's hard to believe the end of school is almost here. This is a very happy time because the children are growing and are ready for "BIG" school. It is also a very sad time for the teachers. We have grown to love every child and will miss them tremendously.

We will review all of the colors, numbers, letters, and shapes we have learned this year.

Our Bible verse this month is "Flowers appear on the earth; the season of singing has come..." (Song of Songs 2:12)

We would like to take this

opportunity to again tell you how much we have enjoyed your children this year.

Also you, their parents, have helped to make this a wonderful year. God's blessings to you in the years to come.

Ms. Abby and Ms. Cheryl

Congratulations! to Our Grace Christian Preschool Class of 2026
